Power window control issue on drivers side only - the driver's power window button will work for awhile and then intermittently stop working for a day or so. Mazda 3 2008 model top of the line 150 pesos lang sa gas marami ka. The Mazda3 is available in two body styles -- sedan or 5-door. Standard features include power door locks and windows, 16 inch wheels, keyless entry, push button ignition, body-colored door handles, air. This engine, too, is mated to either a 6-speed automatic or 6-speed manual transmission. It's 2013 Mazda 3, I realized way to late in the paperwork that I love my car but I absolutely hate that it has manual locks.
